

FlipN'sit^{ie}

PLEASE TAKE A SEAT

www.flipnsit.ie

All you do is, flip and sit.

1kg/2.20lbs to hold the seat down in horizontal position - automatically rises up in a gentle swing motion, folds back up without snapping and locks into place.

What is flipn'sit?

flipn'sit are seating units that flip both ways with an area for announcement of events or information, on the seats.

flipn'sit is owned by 2 Partners, who run advertising and design agencies in Kildare, have jointly, been in the industry for over 22 years. We hold the rights for sole distribution in Ireland. We are proud to bring these seats here to Ireland.

The extra benefits:

- They take up very little space (one third of space compared to benches).
- They are incredibly robust and modern in design.
- We deliver to each school with easy instructions for installation, they have small drill holes of 10cm dept.
- Tested for child safety, TUV certified, and are already in high use throughout Europe.

About the units

The materials used for the maintenance-free **flipn'sit** units are proven to be unbeatable in any weather and resistant to natural damage. They offer corrosion protection and durability. Strong rotary joints are made of die-cast aluminium AlSiMg7.

Revenue Stream

Use seats for general information within your schools. However if interested schools can also sell the announcement areas as advertising space, expected sale price to advertiser per unit (which is 6 ads) is €150pm *ex vat* - including print. We normally book for 6 month periods. We can advise on printing and templates. Or simply use your units for general announcements for your school.
